Dear colleagues

It is our great pleasure to announce the **Young Energy Researchers Conference and Young Energy Researchers Awards!**

Dedicated to the next generation of professionals and experts, two conference tracks present the work and achievements of young researchers in the fields of biomass and energy efficiency.

The Young Energy Researchers Conference will be held on **4-5 March 2020** in the context of the World Sustainable Energy Days 2020 in Wels/Austria. With more than 660 participants from over 50 countries in 2019, the World Sustainable Energy Days are one of Europe's largest annual conferences on sustainable energy.

Check out the [programme](#) & [pictures](#) of the 2019 edition to get an impression of the event.

**The organiser covers the costs of accommodation, meals, participation and local transport for up to 60 selected young energy researchers.**

### **Call for papers - deadline: 10 October 2019**

We invite young researchers (born after 1984) to submit contributions by 10 October 2019 at [www.wsed.at/call](http://www.wsed.at/call). Submissions are welcome from all scientific fields. A high-level scientific committee selects papers for oral and poster presentation. Visit our [website](#) for detailed information.

### **Awards "Best Young Energy Efficiency Researcher" and "Best Young Biomass Researcher"**

The best contributions will be honoured with the awards "Best Young Biomass Researcher" and "Best Young Energy Efficiency Researcher". The researchers will each receive 1,000 Euro as prize money. The winners will be selected among the oral presenters.

We would be very grateful, if you were able to help us **promote this event and the opportunity offered** by it!

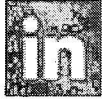

The conference office will gladly answer questions (conference office: T: +43-732-7720-14386, [office@esv.or.at](mailto:office@esv.or.at)).

We look forward to receiving contributions by 10 October and to welcoming you to the World Sustainable Energy Days 2020!

Best regards  
Christiane Egger
